This is a detailed urban planning map of the Municipality of Muro Leccese. The map is color-coded to show different types of urbanized areas: a yellow area for the historical center, a pink area for the residential center, and a blue area for the coastal zone. A red dashed line delineates the municipal territory. The map includes a network of roads, with state roads (SS16, SS275, SS363) and provincial roads (SP39, SP363, SP064, SP497) clearly marked. Surrounding municipalities are labeled: Maglie to the west, Palmariggi to the north, Giuggianello to the east, and Sanarica to the south. A compass rose in the top right corner indicates North, and the scale is given as 1:20,000. The map also shows various green spaces and specific landmarks like the 'Circuit La Conca'.

The coat of arms of the Municipality of Muro Leccese features a shield with a red upper section containing a white profile of a person's head, and a white lower section with a red border. The shield is topped with a golden crown and flanked by two green olive branches.
